Office of the Deputy Commissioner
Kolar District
Dated Kolar, the 19th August 1943.

Mr Green
The Secretary to the Government of Mysore,
Law Department Bangalore

Sir,

With reference to Government Order No I 2684-5/11 3-42-4 dated 5-9-42 sanctioning the temporary establishment of the personnel description to the Town Municipal Office of Chickballur, requiring 17 reons or Rs 9/- each per month ed in connection with the 2 5/- Aman management of the, uni- 3) Cre toll Inspector on P 12/- cipal Toll gates during the + 5/- (C A) per month

year 1942-43 I have the honour to state that the Municipal Council who examined the question of continuance of this establishment, at their meeting held on 26-6-43, resolved that it may be placed on a permanent basis (vide copy of the resolution herein enclosed) It is reported by the President of this Municipal Council that the income realised from and the expenditure incurred on the toll gates during the three previous years were as follows

Year	Income	Expenditure
1940-41	Rs 5828/-	Rs 1441/-
1941-42	5927/-	1507/-
1942-43	4824/-	1566-4-6

It is seen therefrom that the average expenditure relating to the toll gates works out to nearly 27% of the average income, which is obviously very heavy. Moreover the income during the year 42-43 has fallen by nearly 20% from the income of the previous two years. I am therefore of opinion that the question of placing the establishment on a permanent basis be postponed until the state of income reaches a stabilised condition and I recommend that sanction may be accorded to the continuance of the establishment temporarily for a further period of two years from 1-7-43.

2. Necessary provision has been made in the Budget estimates of this Municipality for the year 43-44. Pending sanction, the establishment has been permitted to be continued. I request that sanction of Government may be kindly obtained and communicated early.
